Seniors First BC Continues to Assist Seniors in These Challenging Times

Seniors First BC continues to assist seniors through these challenging times. But in order to ensure the health and safety of our senior clients and our staff and their families, we are adjusting our operations.

- Our Seniors Abuse and Information Line (SAIL) will continue to operate as normal at 604-437-1940 or 1-866-437-1940.
- As of today, all of our public education workshops are cancelled until at least April 30.
- All of our in-person satellite Elder Law Clinics are cancelled until at least April 30, but if you need to consult a lawyer, call us and we will consult with you about legal issues over the phone.
- Our Lawyers and Legal Advocates will continue to work on files and speak with clients on the phone, but we may limit in person client meetings.

We will update you regularly as the situation evolves. We will continue to follow the advice of the Canadian and BC Centres for Disease Control.

We will get through this challenging time together.
