 Time: 10:00 AM

 Location: 411 Seniors Centre

3502 Fraser St, Vancouver, BC

### **This is more than an event — it's a movement.**

Across BC, families are struggling to access affordable home support. Seniors are entering long-term care too early. Hospitals are overloaded carrying pressures that could be prevented. Yet we know a better path forward exists — one where care begins at home, where people maintain dignity and independence, and where our healthcare system becomes more sustainable for everyone.

### **Why attend?**

- Be part of a collaborative campaign to make home care part of the essential healthcare infrastructure
- Hear directly from leaders across BC's seniors, caregiving, and healthcare sectors
- We need your voice for affordable, accessible, high-quality home support
- Help shape solutions that support families, strengthen communities, and improve outcomes

### **Together, we are working toward a future where:**

- ✓ Home support is affordable and accessible

✓ Families are supported, not stretched beyond limits

✓ Seniors can remain in their homes longer

✓ The healthcare system works smarter — not harder

**Meet the coalition representing 400,000+ BC seniors, including:**

- Jewish Seniors Alliance of British Columbia (JSABC) [jsabc.ca/](http://jsabc.ca/)
- Council of Senior Citizens' Organizations of BC (COSCO BC) [coscobc.org/](http://coscobc.org/)
- Family Caregivers of BC (FCBC) [familycaregiversbc.ca/](http://familycaregiversbc.ca/)
- BC Care Providers Association (BCCPA) [bccare.ca/](http://bccare.ca/)

**This is a pivotal moment.**

We cannot build our way out of today's healthcare challenges with hospitals and long-term care alone. Strong home support is the missing piece — and together, we can bring it to the center of the system.

**Join us. Be part of the solution. Share this invitation with others who care about the future of healthcare in BC.**
